## **ABOUT THE KVK**

Based on the recommendation of the Education Commission (1964-66), consideration/review by the Planning Commission and Inter-Ministerial Committee, and further recommendation by the committee headed by Dr. Mohan Singh Mehta appointed by ICAR in 1973 the idea of establishment of Farm Science Centre (Krishi Vigyan Kendra) was evolved.

The first KVK, on a pilot basis, was established in 1974 at Pondicherry under the administrative control of the Tamil Nadu Agricultural University, Coimbatore. In 1976-77, the Planning Commission approved the proposal of the ICAR to establish 18 KVKs during the Fifth Five Year Plan. With the growing demand for more such Kendras, 12 more KVKs were approved by the Governing Body of the Council in 1979 and established in the same year from Agricultural Produce Cess Fund (AP Cess). Pending clearance of the Sixth Five -Year Plan scheme on KVK by the Planning Commission, 14 additional KVKs were again approved by the Council in 1981, which were established during 1982--83 from AP Cess Fund.

A High Level Evaluation Committee on KVK was constituted by the ICAR in 1984, who after thorough review of the programme, strongly recommended for the establishment of more KVKs in the country. Keeping this in view, the Planning Commission approved to establish 44 new KVKs during the Sixth Plan. Thus, by the end of Sixth Plan, 89 KVKs had started functioning in the country.

During the Seventh Plan, 20 new KVKs were established. The success of KVKs at many locations created a great demand for establishment of more KVKs in the remaining districts of the country. Accordingly, the Planning Commission further approved 74 new KVKs to be established during 1992-93. Again in the Eighth Plan (1992-97), 78 new KVKs were approved and the same were established, making total number of functional KVKs by the end of the Eighth Plan to 261.

The number of KVKs further increased to 290 during Ninth Plan with the establishment of 29 KVKs.

On the occasion of the Independence Day Speech on 15<sup>th</sup> August, 2005 the Hon'ble Prime Minister of India announced that by the end of 2007 there should be one KVK in each of the rural districts of the country.

This has resulted in establishment of 551 KVKs at the end of Tenth Plan which include 371 under State Agricultural Universities (SAU) and Central Agricultural University (CAU), 40 under ICAR Institutes, 88 under NGOs, 33 under State Governments, 3 under PSUs and the remaining 16 under other educational institutions.

At present there are 571 KVKs established in the Country.

With a decision of establishment of KVKs in all the rural districts during Tenth Plan, the qualitative improvement in the working of KVKs was envisaged through the mandate as

### **Technology assessment, refinement and demonstration of technology / products**

The activities of KVK include

- ❖ On-farm testing to identify the location specificity of agricultural technologies under various farming systems.
- ❖ Frontline demonstrations to establish production potential of various crops and enterprises on the farmers' fields.
- ❖ Training of farmers to update their knowledge and skills in modern agricultural technologies, and training of extension personnel to orient them in the frontier areas of technology development.
- ❖ To work as resource and knowledge centre of agricultural technology for supporting initiatives of public, private and voluntary sector for improving the agricultural economy of the district.
- ❖ In order to create awareness about improved technology, a large number of extension activities will be taken up. The seeds and planting materials produced by the KVKs will also be made available to the farmers.

The XI Plan envisaged to have two KVKs in larger districts taking the total strength proposed to be 667.

This is an excellent network for exchange of technology and empowerment of farmers to enhance productivity and profitability.

In this context communication becomes essential. Therefore, efforts have been made to bring out this Directory which includes address alongwith phone number, email and mobile number of KVKs so that concerned persons could be contacted as per need.
